

# Introductory Letter

Dear Reader,

I am pleased to be able to say thank you to the many people whose voluntary work has led to the production of our Parish Plan. Cllr Gerald Molineux, the chairman of our Parish Council, and my fellow parish councillors have given it their full and enthusiastic support, not least in ensuring that questionnaires were delivered to local residents, businesses and organisations. Peter Davies, our Parish Clerk, and the other members of the Parish Plan Steering Committee (listed in Appendix 2) have devoted long hours to meetings, drafting chapters and considering comments. I am most grateful to all of the Steering Committee, each of whose contribution has been invaluable, but I must mention Harry Thornton who used his knowledge of our heritage to prepare our local list of buildings (Appendix 1).

The Countryside Agency, Staffordshire County Council (at the request of Cllr Gwylim Roberts) and Brereton and Ravenhill Parish Council have kindly provided funding for the project. Dave Cotton of Graphic Design has very kindly given many hours of professional services free of charge. St Michael's Church, 1st Brereton Brownies, Brereton Social FC, Birds Eye View Photography Group, Pritchard Holdings, International Power, Staffordshire County Council, Cllr Gerald Molineux, Dave Cotton, PC Lee Turner and Chris Turner have kindly provided photographs that add greatly to the Plan's appearance.

Last, but far from least, may I thank the many residents who took the trouble to complete our eight-page questionnaire and, in doing so, ensured that we were well informed about local opinions. May I wish you an enjoyable and interesting read and express the hope that you will not hesitate to let the Parish Council know your views on the future of our parish.

Yours sincerely,

Tim Jones

Chairman Brereton and Ravenhill Parish  
Plan Steering Committee  
Brereton and Ravenhill Parish Councillor
